Agreement, Authorization to Obtain and Disclose Information and Signatures

I, the Primary Proposed Insured (and any Owner signing below) acknowledge that I have read the statements contained in this application and any attachments or they have been read to me. My answers to the questions in this application are true and complete to the best of my knowledge and belief. I understand that this application: (1) consists of Part A, Part B, and if applicable, related attachments including certain questionnaire(s), supplement(s) and addendum(s); and (2) is the basis for any policy and any rider(s) issued. I understand that no information about me will be considered to have been given to the Company by me unless it is stated in the application. I agree to notify the Company of any changes in the statements or answers given in the application between the time of application and delivery of any policy. I understand that any misrepresentation contained in this application and relied on by the Company may be used to reduce or deny a claim or void the policy if: (1) such misrepresentation materially affects the acceptance of the risk; and (2) the policy is within its contestable period.

Except as may be provided in any Limited Temporary Life Insurance Agreement ("LTLIA"), I understand and agree that, even if I paid a premium, no insurance will be in effect under this application or under any new policy or any rider(s) that may be issued by the Company unless or until all three of the following conditions are met: (1) the policy has been delivered and accepted; (2) the full first modal premium for the issued policy has been paid; and (3) there has been no change in the health of any Proposed Insured(s) that would change the answer to any question in the application before items (1) and (2) in this paragraph have occurred. I understand and agree that, if all three conditions above are not met: (1) no insurance will be in effect; and (2) the Company's liability will be limited to a refund of any premiums paid, regardless of whether loss occurs before premiums are refunded.

If I have received and accepted the LTLIA, I understand and agree that such insurance is available only on the life of the Primary Proposed Insured under the life policy (and the Other Proposed Insured under a joint and survivorship life policy, if applicable) and only if the conditions set forth in the LTLIA are met. I understand and agree that such temporary insurance is not available as to any riders or any accident and/or health insurance.

I understand and agree that no agent is authorized to accept risks or pass upon insurability, make or modify contracts, or waive any of the Company's rights or requirements.

I have received a copy of or have been read the Notices to the Proposed Insured(s).

I authorize any medical professional; any hospital, clinic or other health care facility; any pharmacy benefit manager or prescription database; any insurance or reinsurance company; any consumer reporting agency or insurance support organization; my employer; the Medical Information Bureau (MIB); or any other person or organization that has any records or knowledge of me or my physical or mental health or insurability, or that of any minor child for whom application for insurance is being made, to disclose and give to the Company, its legal representatives, its affiliated service companies, and its affiliated insurers all information they have pertaining to: medical consultations; treatments; surgeries; hospital confinements for physical and/or mental conditions; use of drugs or alcohol; drug prescriptions; or any other information concerning me, or any minor child for whom application for insurance is being made. Other information may include, but is not limited to, items such as: personal finances including credit as permitted; habits; hazardous avocations; motor vehicle records from the Department of Motor Vehicles; court records; or foreign travel, etc.

I understand that the information obtained will be used by the Company to determine: (1) eligibility for insurance; (2) eligibility for benefits under an existing policy; and (3) verification of answers and statements on this application. I further authorize the Company to conduct a media or electronic search on me. Any information gathered during the evaluation of my application may be disclosed to: other insurers to whom I may apply for coverage; reinsurers; the MIB; other persons or organizations performing business or legal services in connection with my application or claim; me; any physician designated by me; or any person or entity required to receive such information by law or as I may further consent.

I, as well as any person authorized to act on my behalf, may, upon written request, obtain a copy of this consent. I understand this consent may be revoked at any time by sending a written request to the Company, Attn: Underwriting Department at P.O. Box 1931, Houston, TX 77251-1931. This consent will be valid for 24 months from the date of this application. I agree that a copy of this consent will be as valid as the original. I authorize the Company, its affiliated insurers, and its affiliated service companies to obtain an investigative consumer report on me. I understand that I may: (1) request to be interviewed for the report; and (2) upon written request, receive a copy of such report.

☐ Check if you wish to be interviewed.

Notice of AIDS Virus Antibody Testing and Authorization for Testing and Disclosure

This document contains important information concerning the AIDS virus antibody test that we require you undergo to apply for insurance with us. It also contains information about who will have access to the information we obtain.

READ THIS NOTICE VERY CAREFULLY. DO NOT SIGN IT UNLESS IT IS COMPLETELY FILLED OUT AND YOU HAVE READ AND UNDERSTOOD IT.

You have up to 21 days from the date you receive this form to decide whether to sign this authorization.

NOTICE FOR AIDS VIRUS ANTIBODY TESTING

In connection with your insurance, a sample of your bodily fluids (blood, urine and/or oral fluid) will be tested for the presence of the AIDS virus (HIV) antibody. Before consenting to this test, you are urged to read the following information about AIDS, the nature of the test and our policy concerning confidentiality of test and other AIDS-related information. After you read this material, you will find a request for your written authorization to be tested for the AIDS virus and for subsequent disclosure of test results. You should be aware that a positive test result may result in the denial of your insurance application.

INFORMATION ABOUT AIDS

AIDS is a condition caused by the human immunodeficiency virus (HIV). In some individuals the virus reduces the body's normal defense mechanisms against certain diseases or infections. As a result, such people often develop such unusual conditions as severe pneumonia or a rare skin cancer. The symptoms of AIDS may include the following, although other causes of these symptoms are more likely: unexplained weight loss; persistent night sweats, cough, shortness of breath, diarrhea and white spots evidencing fungal infection; fever and swollen lymph nodes lasting more than one month; raised purple spots on or under the skin or on mucous membranes.

From medical studies, it is clear that the following groups are at a high risk of contracting AIDS:

- Past or present users of intravenous drugs;
- Males who have had sex with more than one male since the late 1970's:
- Recipients of blood or blood products infected by the HIV virus; and
- Sexual partners of individuals belonging to any of the above categories.

HIV ANTIBODY TEST

The HIV antibody test is actually a series of tests designed to detect the presence of antibodies to the AIDS virus rather than detect the virus itself. Antibodies to the AIDS virus are found in the blood, urine and/or oral fluid of most patients with AIDS and AIDS-related complex (ARC), and can be found in people who do not have AIDS or ARC but have been exposed to the virus.

Your bodily fluid sample will first be subjected to a test known as ELISA (enzyme-linked immunosorbent assay). If the result of this test is positive, the ELISA test will be repeated. If this repeat ELISA test is also positive, your bodily fluid specimen will be subjected to another, more specific technique called the Western blot test, for confirmation. Your test result is considered positive only after positive results are obtained on two ELISA tests and a Western blot test.

Positive Test Results. In general, if you receive such a positive test result, there is a high probability that you have HIV antibodies in your blood and/or other bodily fluids. However, there is a risk that a person who has not been exposed to the virus will be incorrectly classified by the test as having a positive test result. This is called a "false positive" result. People who are not in one of the "high risk" groups listed above who get a positive test result are much more likely to receive a "false positive" than those who are in a high risk group.

A positive test result does not mean that you have AIDS. The diagnosis of AIDS is established using a patient's history, symptoms and physical examination. A positive test result does mean, however, that you are at risk of developing AIDS or AIDS-related conditions. It also means that, without taking precautions, you may transmit the virus to other people. Therefore, the following steps are recommended to limit the spread of AIDS: (1) stop donating blood; (2) limit sexual contacts and follow "safe sex" practices; (3) inform your sexual partner; (4) notify your doctor; and (5) if you are considering having a child, carefully evaluate the risks to the fetus.

If your test result is positive, the test result will be sent to the doctor you designate on this form, or if you prefer, we will mail the result directly to you no later than 45 days after your blood, urine and/or oral fluid sample is taken. It is strongly recommended that you consult a physician or obtain counseling to learn more about the meaning of such a result.

Negative test results. If your test result is not positive, you most likely have not been infected by the virus. However, it is possible to have been infected with the virus within the past year and not yet have developed antibodies that cause a positive test result. It is possible to receive a "false negative" result.

COUNSELING AND ALTERNATIVE TEST SITES

You may experience increased anxiety as a result of having this test performed or receiving a positive test result. Many public health organizations recommend that before a person takes an AIDS-related test, he or she obtain counseling about the test and about AIDS. A source of information about AIDS and counseling is the AIDS Action Line. In addition, the Massachusetts Department of Public Health offers free anonymous HIV antibody testing, with pre-test and post-test counseling at its Alternative Test Sites. For additional information regarding AIDS, AIDS testing or counseling, or to obtain a free, anonymous test, individuals in the high risk categories listed above are encouraged to contact the Massachusetts Department of Public Health, Alternative Test Sites for an appointment. Confidential and/or anonymous HIV antibody testing (not blood donation) and counseling is also available at various locations in Massachusetts for a fee of \$35 by appointment with the American Red Cross

If you wait up to 21 days from the date you receive this form to decide whether to be tested, unless other circumstances relating to your eligibility change, this delay will not affect our decision to offer you insurance.

CONFIDENTIALITY

Under Massachusetts law we must treat all AIDS-related information (including test results) as highly confidential. We have established safeguards within our company that will protect the privacy of any AIDS-related information that is in your files. We have designated employees who are responsible for keeping this information confidential. We have designated certain personnel who will have access to AIDS-related information if they need the information in connection with an insurance transaction. Other personnel are aware that they are not permitted access to such information. We will make sure that AIDS-related information that is stored in a computer data bank or other files is protected by reasonable security safeguards.

To handle your insurance business, we may need to disclose your test results or other AIDS-related information to employees, reinsurers, contractors or attorneys who need AIDS-related information for underwriting, claims or another necessary business purpose in connection with your insurance transaction. These persons and entities have been informed of their clear legal obligation to maintain the confidentiality of all AIDS-related information, including test results. Similar privacy safeguards have also been adopted by the laboratory that will perform tests on your blood, urine or oral fluid sample, and by any contractor, reinsurer or attorney to whom we might grant access to AIDS-related information. If we need to disclose to anyone else information about you and AIDS, we must again ask you to provide prior written consent to such disclosure. However, AIDS-related information could be disclosed without your consent in response to a subpoena. If you believe that your right to the confidentiality of any AIDS-related information about you has been violated, you should contact the Division of Insurance, or by writing to the Division's Consumer Services Section, 470 Atlantic Ave., Boston, MA 02110-2223.

Medical Information Bureau (MIB, Inc.). If your test result is positive, we will make a report indicating a nonspecific abnormal blood, urine or oral fluid test result to MIB, Inc. (MIB). The nature of the test will not be reported; there will be no record with the MIB that you had a positive HIV antibody test. The MIB is a nonprofit organization of life insurance companies which operates an information exchange for its members. Our decision on whether or not to issue you a policy will not be sent to the MIB. If you later apply to another MIB member company for life or health insurance or submit a claim for life or disability insurance benefits, the MIB will, upon request, provide that company with information in its file, including information we have furnished. Otherwise the MIB will observe confidentiality safeguards similar to our own stated above. Upon your request, the MIB will arrange for disclosure to you of any information it has in its file. If you feel the information in the MIB's file is not correct, you may contact the MIB and seek a correction in accordance with the procedures outlined in the Federal Fair Credit Reporting Act. The address of the MIB's information office is: MIB, Inc., P.O. Box 105, Essex Station, Boston, MA 02112. The MIB telephone number is (617) 426-3660.

DISCLOSURE AND ACCESS TO INFORMATION

If we disclose any AIDS-related information to a person or entity who is not our employee, reinsurer, attorney, or contractor as described above, or the MIB, we will notify you in writing unless we are prohibited from doing so by law or court order. Upon your written request, we will provide you, either directly, or at your option, through a physician designated by you, with copies of any information relating to you and AIDS in our files, for the reasonable cost of photocopying those documents. If you believe any of the information in our files is incorrect, you may write to us to request that it be corrected.

AUTHORIZATION

I have read and understand this Notice of AIDS Virus Antibody Testing and Authorization for Testing and Disclosure. I understand that: if I test positive I may be denied the insurance for which I have applied; I may experience increased anxiety as a result of having this test; the people and entities described above will or may have access to the results of my test as stated above for the purposes identified on this form; I will be given a copy of this form; and this authorization is valid for ninety (90) days from the date of my signature below.

Disclosure of Accelerated Death Benefits Massachusetts Version

American General Life Insurance Company

A member of American International Group, Inc. (AIG)

DISCLOSURE STATEMENT FOR ACCELERATED BENEFITS REQUIRED AT THE TIME OF APPLICATION FOR POLICY.

Limitations of the Accelerated Benefit:

The accelerated benefit in this life insurance product may provide benefits to pay for long-term care services, but it is NOT part of a long-term care or nursing home insurance policy and the amount this product pays you may not be enough to cover your medical, nursing home or other bills. You may use the money you receive from this product for any purpose. Unlike conventional life insurance proceeds, accelerated benefits payable under this product rider COULD BE TAXABLE IN SOME CIRCUMSTANCES. We recommend that you contact a tax advisor when making tax-related decisions about electing to receive and use benefits from an accelerated benefit product.

A. Consequences of This Benefit:

Receipt of accelerated benefits MAY AFFECT MEDICAID and SUPPLEMENTAL SECURITY INCOME ("SSI") ELIGIBILITY. The mere fact that you own a policy with an accelerated benefit product may affect your eligibility for these government programs. In addition, exercising the option to accelerate death benefits and receiving those benefits before you apply for these programs, or while you are receiving government benefits, may affect your initial or continued eligibility. Contact the Medicaid Unit of your local Division of Medical Assistance and the Social Security Administration for more information.

B. Medical Condition(s) Enabling Accelerating of Life Benefit:

Terminal Illness means a condition that a physician certifies will reasonably be expected to result in death in 24 months or less as specified in the Terminal Illness Accelerated Benefit Rider.

C. Option:

The terminal illness benefit is a one time acceleration payment of up to 50% of total death benefit payable under the base policy not to exceed \$250,000.

D. Premium for Accelerated Benefit:

NONE, there is no additional charge for the Terminal Illness Accelerated Benefit Rider.

E. Administrative Expense Charge:

On the date the accelerated benefit is paid under this rider, an administrative fee not to exceed \$500.00 will be established as a lien against future policy benefits.

Notice Regarding Replacement

American General Life Insurance Company, 2727-A Allen Parkway, Houston, TX 77019

The United States Life Insurance Company in the City of New York, 175 Water St, New York, NY 10038

A member of American International Group, Inc. (AIG)

IMPORTANT NOTICE REQUIRED BY THE COMMISSIONER OF INSURANCE READ CAREFULLY BEFORE PROCEEDING

This notice is required by the Commissioner of Insurance because you have indicated that you are buying a new life insurance policy or annuity and discontinuing or changing an existing one. Such a decision could be a good one, or a mistake. You will not know for sure until you make a careful comparison of your existing policy and the proposed replacement policy. Premiums alone are not determinative of low cost. Take the time to obtain and understand the facts.

We are required by law to notify your existing company that you may be replacing their policy.

Consider both sides before you decide. This way you can be sure you are making a decision that is in your best interest.

Cash Value Insurance:

To make a comparison of cash value policies (policies with loan or surrender values in addition to death protection), consideration must be given to each policy's cash values, premiums, coverage amounts and dividends, if any, over the life of the policy.

To simplify this task, you may wish to request from your existing insurance company and the company issuing the replacement policy yield index figures for 5, 10 and 20 years. The yield index is a percentage that represents an estimate of the interest rate the insurer projects you will earn on the savings portion of the cash value policy. The policy with the higher yield index will generally be the better buy.

The Yield Index Committee of the National Association of Insurance Commissioners in 1986 devised a method for calculating a yield index. In order to request this yield index information merely check the box below and your request will be forwarded to both insurance companies.

You can also compare the cash values and/or surrender values listed in the replacing company's policy summary for the first five policy years with those in your current policy for the next five years. Low cash values or surrender values in early policy years are often the result of high expenses associated with issuing a new policy. If the replacement policy has low values in its early years, it will usually take longer for it to provide you with benefits that equal or exceed the benefits of your existing policy. In some cases, the replacement policy may never provide benefits equal to those in your present policy.

Term Insurance:

☐ Check box to request yield indices for cash value policies.

If you are replacing your present insurance policy with term insurance policies (that provide death protection only), it makes sense to shop for a low cost policy. Costs for term insurance vary widely and substantial savings may be realized by comparison shopping. Premiums alone are not always determinative of low cost since some policies pay dividends and others do not. You may wish to request interest-adjusted cost indices for 5, 10 and 20 years from several insurance companies including your existing insurer to help you compare term insurance premiums. The policy with the lower index numbers is usually the better buy.

Please list below the identification of the policies which are involved in the replacement. Your existing insurer will be notified that you may be replacing their policy.
